Dear Friends in Christ,

February 2011

We sincerely appreciate your prayers for us through the last month. We have seen several victories in our lives that have helped us press on to attempt greater things for the Lord. We are grateful for the Lord working in our lives as missionaries, not only to supply our physical needs, but most of all to deal with us spiritually and bring us into a more intimate relationship with Him.

Several weeks ago I had the opportunity to lead three precious young boys to the Lord. Around the church in Parque Bristol where we have been attending, there are dozens of boys between the ages of ten and fourteen. We have seen many of them trust Christ as their personal Savior, yet few, if any, of them will come to church. We desire to help them and their families. Please pray for us as we continue to work with them.

One of the biggest victories this month was the fact that we were able to receive the tracts that we have been attempting to print. The printer finally accepted our work and was able to print the 20,000 tracts. We appreciate your prayers for us in this matter. This is the first item we have printed professionally. Having accomplished this task has given us a desire to continue this work and print many more materials in the future.

We have also been praying for the Lord to help us develop more resources to be used in our future ministry in Porto Velho. The Lord has allowed us to get the tracts, write several articles for an upcoming publication, and translate several good articles for use on websites.

This next month will be filled with opportunities. I have been asked to teach an institute class on music near the end of the month, I am helping my father with the necessary relocation of the church in Osasco, and at the beginning of next month I will be teaching a session to a group of missionaries in the yearly BIMI field conference. There is much preparation work to be done this month because of all this teaching.

Please pray that the Lord will guide us in His perfect will. We need wisdom from above as we seek His will for the remainder of this year. We are praying about making a trip to the US in the fall to visit churches and family before a possible move up north at the end of the year. Nothing is settled yet. The Lord's timing and His will are our deepest concerns.

Thank you for your diligence in praying for us. Several of you have written us this month letting us know that you are praying for us. This is a great encouragement to us as we seek to press on for the Lord here in Brazil.

Sincerely,

*Jeremy Tyler*
