Though we make plans and schedule things, we must wait on God and allow Him to work all things out.

Dear Friends and Prayer Partners,

May-June 2011

May and June proved to be very busy months for us. As we mentioned in the last prayer letter, we have been planning a short four month furlough to the US. We will be leaving at the end of August and returning to Brazil in December. Just after making a final decision on that the Lord opened up an opportunity for us to get out of our house a few months before leaving helping us to save on expenses in order to make the trip.

The move has gone quite well. We were able to secure a place for all of our furniture, rent storage for most or the remaining items, paint about 85% of the house we were living in, and remove the remainder of our belongings within about four weeks notice.

For the time being we are settled in our temporary housing and working on documents, preparation for preaching in the next few weeks, the next issue of the *Herança Cristã* (a new publication we are putting out), and keeping busy with other writing and website endeavors. Please note that our field address has been changed to a temporary address where any mail can be received.

Last month we received an e-mail from Egypt. This man who wrote to us wanted a Bible. He also wanted to know more about Jesus. God has done some wonderful things recently allowing the website ministries to go beyond what they had before. Please continue to pray that lives would be changed and God would get the glory in all of it.

In the beginning of June I had the opportunity to translate during the anniversary conference at Bro. Juan Vallejo's church in Umarizal. Bro. Danny Ortiz was the preacher and did an excellent job with making the messages easy to translate.

Amanda was given a great opportunity to speak at a ladies' tea. This is a challenge because of the Portuguese, but she enjoyed it and many people said she did very well. It is exciting to see how quickly she has learned and how well she understands the language.

We are eagerly awaiting our trip to the US which will allow us to visit many churches, friends, and also family. Several of you have written and told us that they were praying for our trip. Thank you very much.

If you would like for us to come by for a visit between September and December, please e-mail us and let us know - [jeremy@braziltotheuttermost.com](mailto:jeremy@braziltotheuttermost.com).

Sincerely,

*Jeremy Tyler*
